CCASA'S BOARD OF DIRECTORS is composed of representatives from member agencies and individuals with specialized expertise such as accounting and finance, legislative processes, and legal issues. We strive to ensure that the Board represents five regions in Colorado: Northeast, Southeast, Central/ Denver Metro, Northwest, and Southwest. We are also seeking dedicated individuals to serve on committees and to help support organizational development.

CCASA ORGANIZATION AND MEMBERSHIP OVERVIEW

CCASA COMMITTEES are engaged in important, focused work that benefits our membership. Each committee consists of CCASA members, partners and relevant staff. MEMBERS LOCATED OUTSIDE OF THE DENVER METRO AREA ARE ENCOURAGED TO PARTICIPATE VIA CONFERENCE CALL.

The following committees are currently active:

- PUBLIC POLICY COMMITTEE works to influence the legislature on issues surrounding sexual violence and is staffed by the Director of Advocacy & Policy. The committee reviews state policies concerning sexual assault survivors, services, and offender management, and represents CCASA's membership's perspective and policy concerns. The public policy committee meets monthly, but may convene more frequently during the legislative session on an as-needed basis. Any CCASA member is welcome to join the committee.
- SURVIVOR TASK FORCE (STF) is staffed by the Director of Advocacy & Policy, and participation is open to anyone who identifies as a survivor of sexual abuse/violence or as the partner or family member of a survivor of sexual violence. Members are not expected to publically identify themselves as a survivor. Each person contributes to the task force in her or his own way. While the STF is a safe place for survivors, please note that this is not a support group. STF members should be at a place in their healing processes where they have received supportive services and are able to positively contribute to the group's mission.
- CCASA BLOG COMMITTEE is staffed by the Director of Training & Communications and comprised of CCASA members who oversee the CCASA blog posts, outreach, and branding. The purpose of the CCASA Blog is to create a conversation among members, partners and the general public about issues related to sexual violence prevention.
- INCLUSIVENESS Team (IT) works to enhance the organization's core value of anti-oppression and social justice which states: CCASA recognizes that sexual assault and oppression are intricately linked and is committed to grappling with the complexities of societal power and privilege in order to create inclusive policies and practices. The IT is comprised of community stakeholders and partners, co-chaired by CCASA's Executive Director and a Board Liaison, and meets at least once a quarter either by conference call, video, or in person.
- SEXUAL ASSAULT AWARENESS MONTH (SAAM) COMMITTEE is comprised of CCASA members and is staffed by the Director of Training & Communications. The SAAM organizing committee is

generally activated in October of each year to begin planning for the following April's activities. This committee creates and implements a statewide SAAM theme, messaging, events, and other materials for distribution to CCASA membership.

- **FUNDRAISING & EVENTS COMMITTEE** is comprised of CCASA members and partners and is staffed by the Executive Director. The Committee exists to raise funds and plan events to broaden support for CCASA in the community. The current focus of the committee is to lay the ground work and plan for CCASA's upcoming 30th anniversary with an eye toward how the anniversary will set CCASA up for fundraising success into the future.
