

Metro Regional Meeting Evaluation Results – Fall, 2008

1. Was this meeting helpful to you in learning about CCASA's reopening, current activities and plans for the future?								
	Not at all	Very little	Somewhat	Mostly	Very	Rating Average	Response Count	
How helpful?	0.0% (0)	0.0% (0)	0.0% (0)	8.3% (1)	91.7% (11)	4.92	12	
	<i>answered question</i>							12
	<i>skipped question</i>							0
2. How do you prefer that CCASA's regional meetings be structured (which occur twice a year - once in the fall and once in the spring) in the future?								
						Response Percent	Response Count	
A meeting that covers only CCASA business, needs of the specific region, and current events in the region (2-4 hours)						16.7%	2	
A meeting that includes a short training (1.5-2 hours) as well as a CCASA business meeting (1.5-2 hours)						8.3%	1	
An all-day training (6-8 hours) with a one hour lunch to cover CCASA business						8.3%	1	
All of the above are fine with me; feel free to mix up the structure throughout the year						66.7%	8	
						<i>answered question</i>	12	
						<i>skipped question</i>	0	

3. CCASA is developing the training calendar for the winter and spring. Please select two of the following trainings that you would be most interested in attending or feel that you and your staff would get the most value from.

	Response Percent	Response Count
SANE (Sexual Assault Nurse Examiner) or SAFE (Sexual Assault Forensic Examiner) certification trainings for medical professionals	8.3%	1
SART (Sexual Assault Response Team) building – developing interdisciplinary task forces in your community	25.0%	3
Sexual assault in immigrant communities – working with immigrants, the immigration process, and ways to support these victims in your communities	25.0%	3
Sexual offender tactics	66.7%	8
Human trafficking	50.0%	6
Intersections between domestic violence and sexual assault	41.7%	5
How to testify - for law enforcement, medical professionals and advocates	25.0%	3
Vicarious trauma	16.7%	2
Other	8.3%	1
	<i>answered question</i>	12
