

Sexual Assault Awareness Month

FACT SHEET

What is Sexual Assault?

Sexual assault happens when someone forces or manipulates someone else into unwanted sexual activity without their consent. Absence of resistance or physical injury does not mean consent.

Sexual Assault Statistics

According to the National Intimate Partner and Sexual Violence Survey, **1 in 2 women and 1 in 4 men in Colorado** have experienced sexually violent crimes in their lifetime.

Studies show that 1 in 4 women and 1 in 6 men are sexually abused **before the age of 18**.

Persons with disabilities are sexually assaulted at rates more than **twice the rate** for persons without a disability.

An estimated 20-25% of women will be victims of rape or attempted rape **during college**.

Over 50% of transgender individuals are survivors of sexual violence.

What is Sexual Assault Awareness Month?

The month of April has been designated Sexual Assault Awareness Month (SAAM) in the United States. The goal of SAAM is to raise public awareness about sexual violence and to educate communities and individuals on how to prevent sexual violence.

This April, the 2017 Sexual Assault Awareness Month (SAAM) campaign for Colorado focuses on Engaging New Voices and talking about it. Contact CCASA about how to create awareness raising activities in your community. The 2014 Colorado SAAM theme is...

*"Let's Talk About It!
Colorado Communities
Coming Together"*
